Aravilla Superbowl Party

No matter who your team is, Super Bowl is always a very exciting event. Aravilla hosted a pregame party for all of the residents. Our decorations were very festive. We used a football field background and colorful footballs that we made ourselves during arts and crafts class.

We took the opportunity to take fun pictures during the Pre-Game Photo Shoot. Everyone was very excited to have their picture taken.

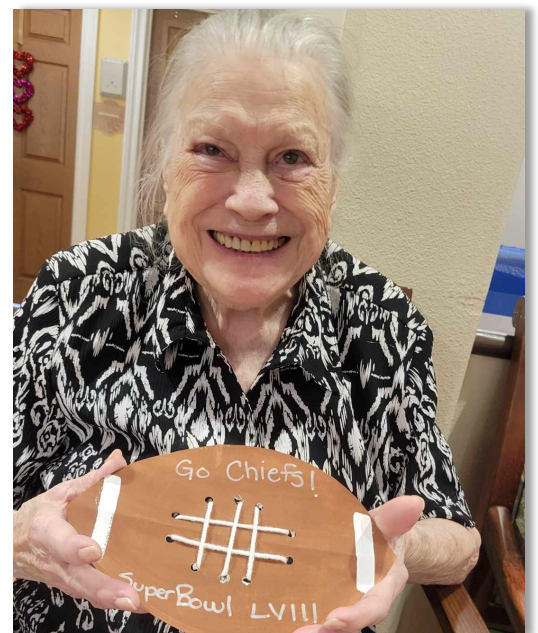

The party foods were perfect. We had pigs in a blanket with a mustard dip and chips with cold sodas. We ended the day with music entertainment from our friend Tony. The Eagles went on to win the Super Bowl later that night.

Love is in the Air

Valentines Day is the day we celebrate Love. Not just romantic couples love but the love for our residents, staff, friends and family. We all have someone we love in our lives and what better day to celebrate this than Valentines Day.

Flowers from Jim

We started the month off by making sure we decorated with hearts, flowers and everything red. We put up the cutest gnome valentines banners in the dining rooms. The table tops were decorated with heart shaped designs and we made flower arrangements for them also.

Aravilla hosted a beautiful Valentines day party where we shared our love advice for the less seasoned couples. There were many beautiful balloons and a cute backdrop for our photoshoot. We saw many smiling faces and even some funny yet helpful advice. Our ladies were gifted beautiful long stem roses from our staff members. They brought many smiles to all. The party went and we served chocolate covered strawberries along with other tasty treats while we sang and danced to popular love songs.

The love of family is the best. Pictured is Melvie and her family.

Tom tells us this is the most important advice.
