“A wish for a kiss on St. Patrick’s Day! Catch a leprechaun but don’t let him run. Nay, kiss him right away!” — Richelle E. Goodrich

Our residents recently enjoyed a refreshing nature walk at **Red Bug Slough Preserve**, one of our beautiful local nature preserves.

They loved seeing the variety of native plants and wildlife that Florida has to offer while soaking in the peaceful surroundings.

We look forward to returning soon to explore even more of the scenic trails this wonderful preserve has to offer!

Did someone say FORE?! Our residents recently visited the new indoor golf simulator experience at **The Clubhouse SRQ in Sarasota**, and they had an absolute blast!

They enjoyed playing a par 3 without ever stepping foot on an outdoor course. It was the perfect mix of fun, friendly competition, and comfort.

You better wear green or get pinched!

We’re celebrating **Saint Patrick's Day** in true Irish style with green beer, gold coins, Irish blessings, and plenty of lively Irish music.

We can’t wait to share our *luck of the Irish* with you!

Aravilla for Her

With a little *luck of the Irish*, there's no better time of year to tour our brand-new second-floor, female-focused memory care neighborhood — **Aravilla for Her**.

This thoughtfully designed memory care wing was created exclusively for women, offering a beautiful new space rooted in compassion, dignity, and elevated care. Every detail has been carefully considered to provide comfort, connection, and specialized support tailored to the unique needs of women.

We are proud to be the only community of its kind on the west coast of Florida.

Come see for yourself why **Aravilla for Her** is redefining memory care.
