As sad as we are to see the end of summer we are extremely excited to start up our weekend traditions of watching football. While the NFL does not have their first game until September, College Football starts Saturday, August 23rd. Who are you most excited to cheer for this year?

The past month we have acquired a new hobby of jewelry making. Our group has made anywhere from earrings, to necklaces, and bracelets. Some residents have even brought old jewelry over to get repaired by our group. They are enjoying making all kinds of patterns, and cannot wait until the holiday's so we can make gifts for our friends and families.

On the second Sunday of each month, the Sarasota Art Museum offers free admission to all visitors. We took full advantage to that as we explored some of the amazing artist that the museum has on display. "Don't think about making art, just get it done. Let everyone else decide if it's good or bad, whether they love it or hate it. While they are deciding, make even more art." Andy Warhol
